

On Making Changes

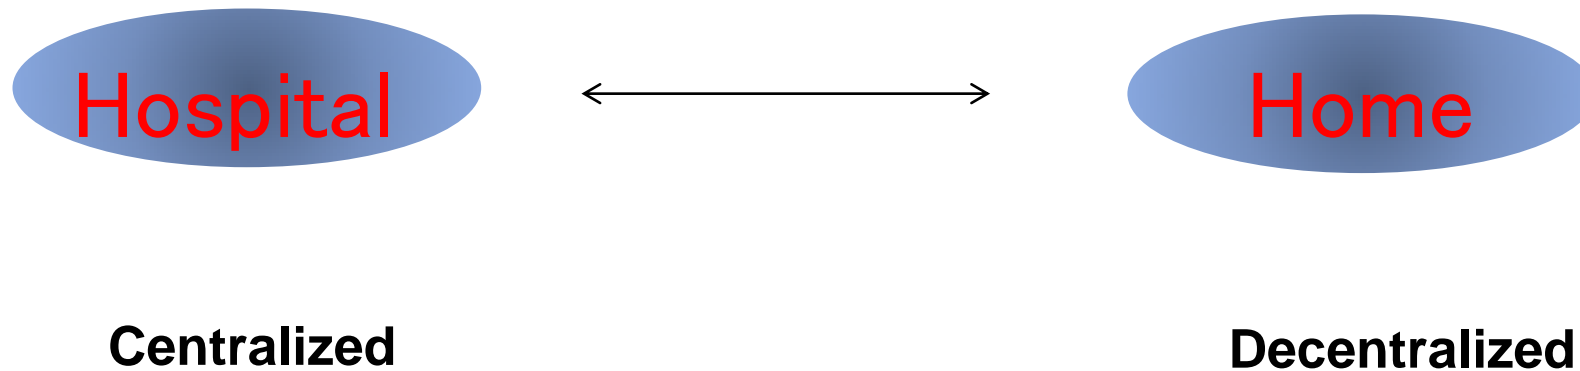

**1st Big Data Machine Learning in Healthcare in
Japan**

February 24, 2018

Prof. Hiro Matsushita, Ph.D.

Tokyo University of Information Sciences

Centralized vs Decentralized

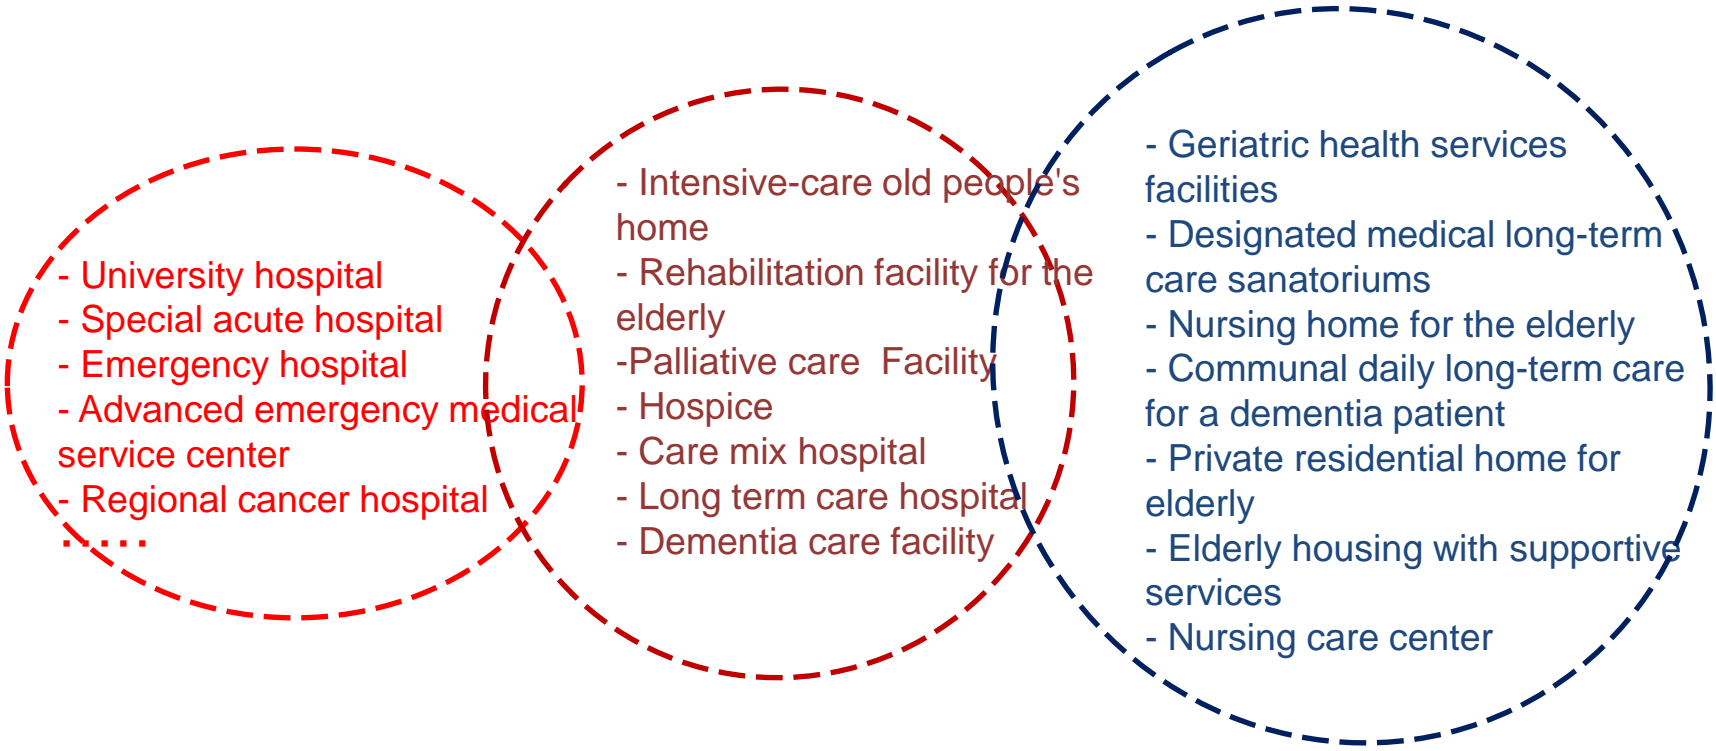

Cure vs Care

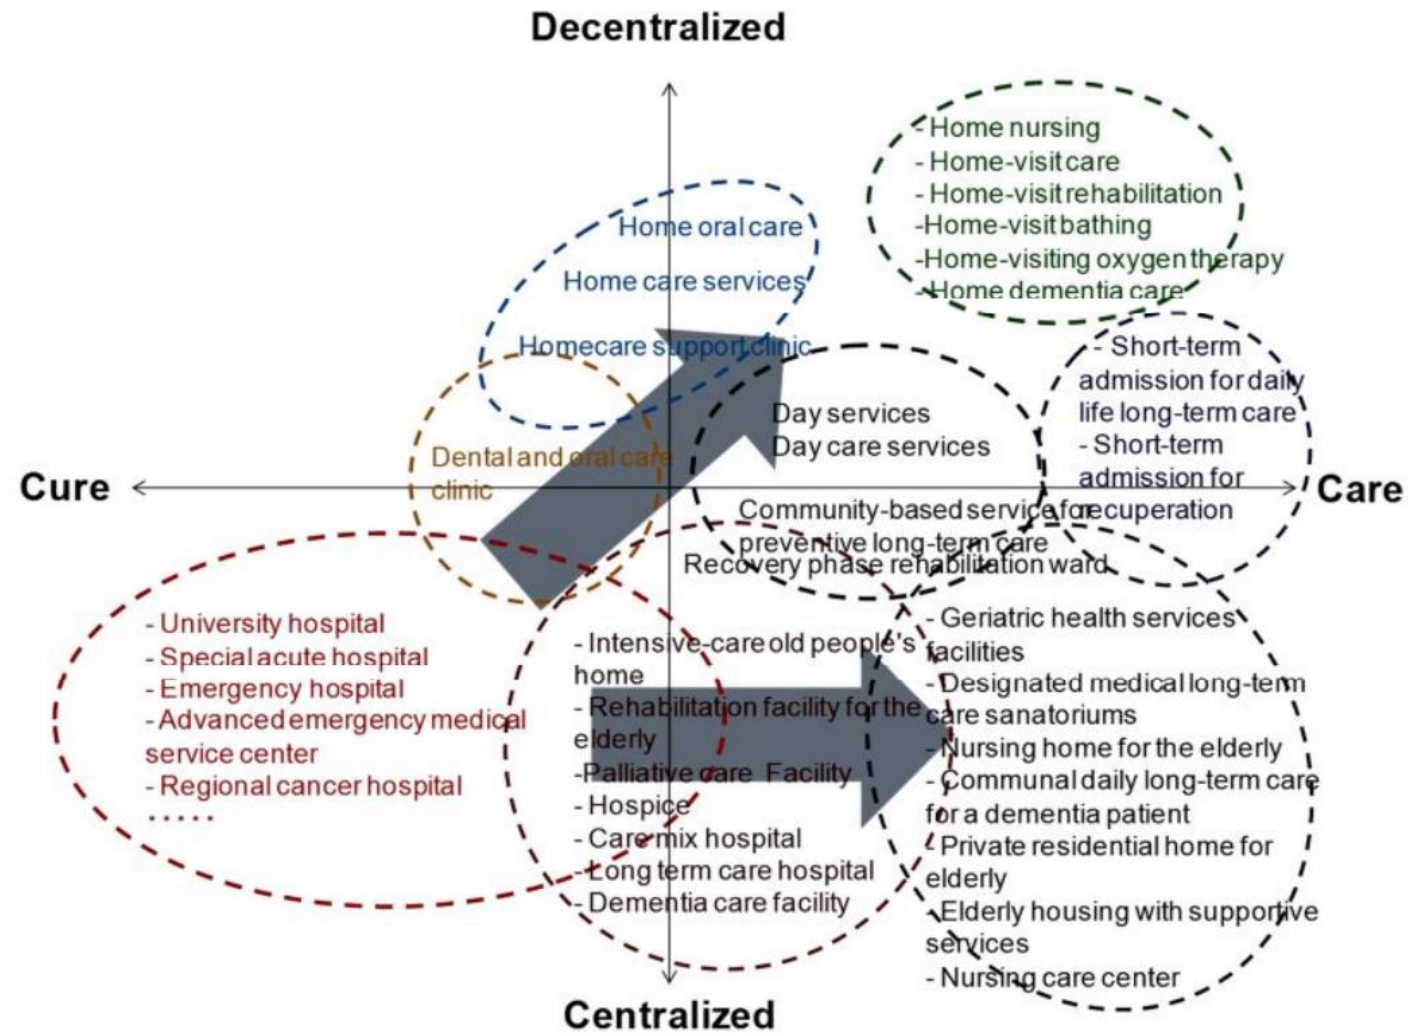

Cure

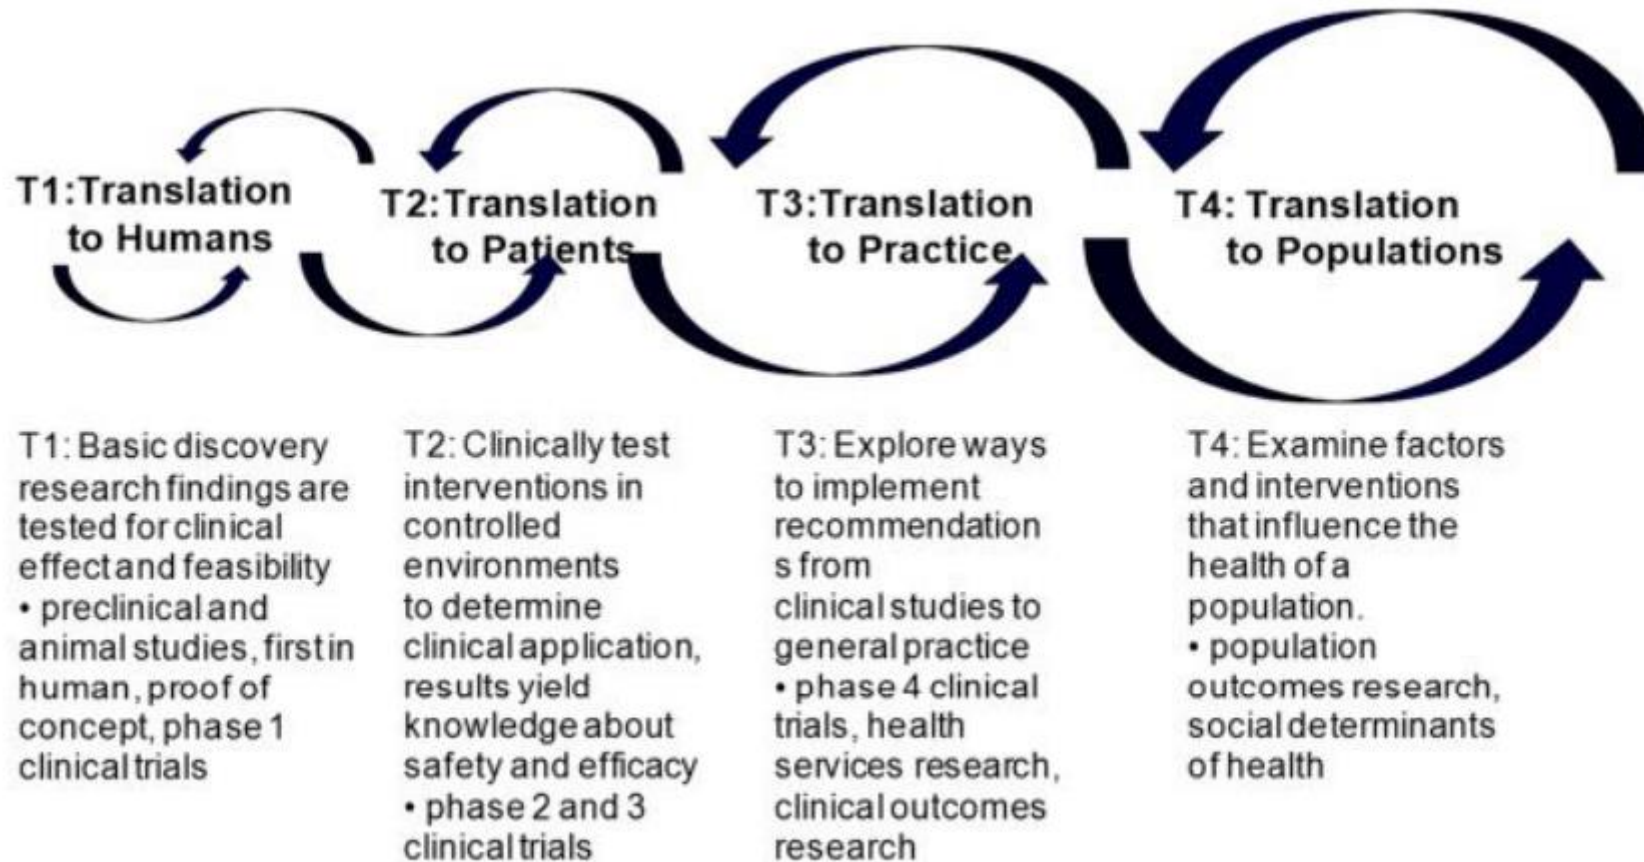

Care

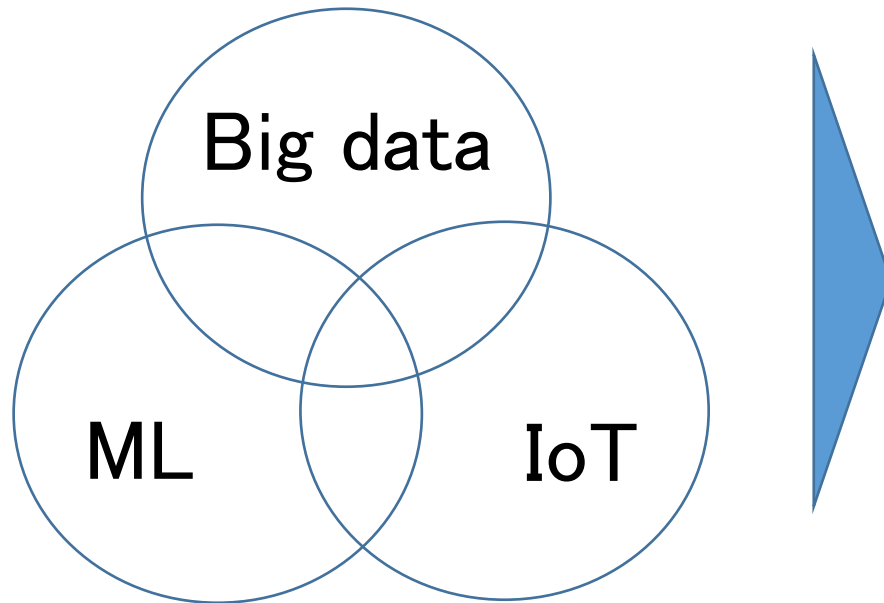

Changes in Medical and Health Services

Translational Research and Innovation

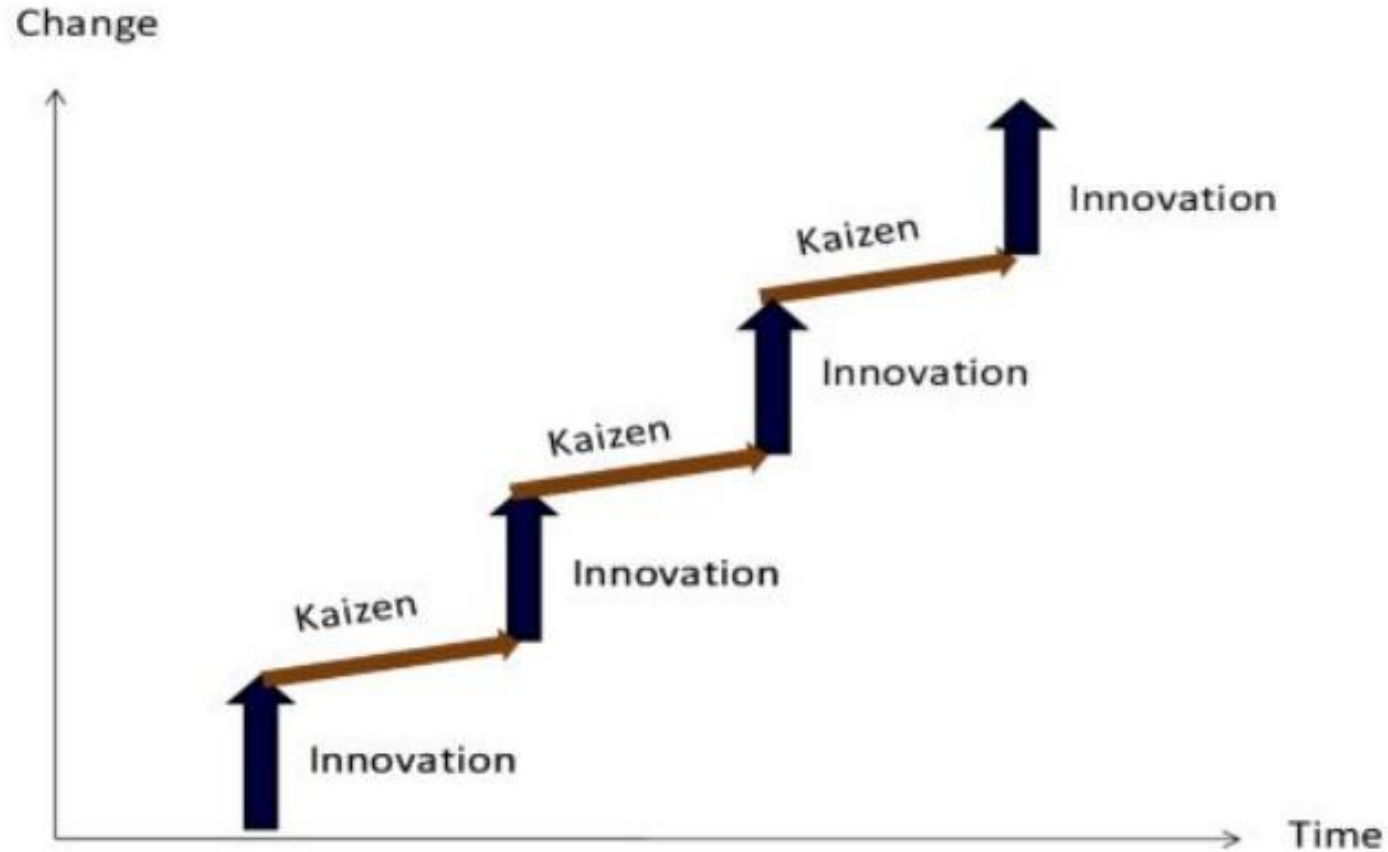

Methods and End-result

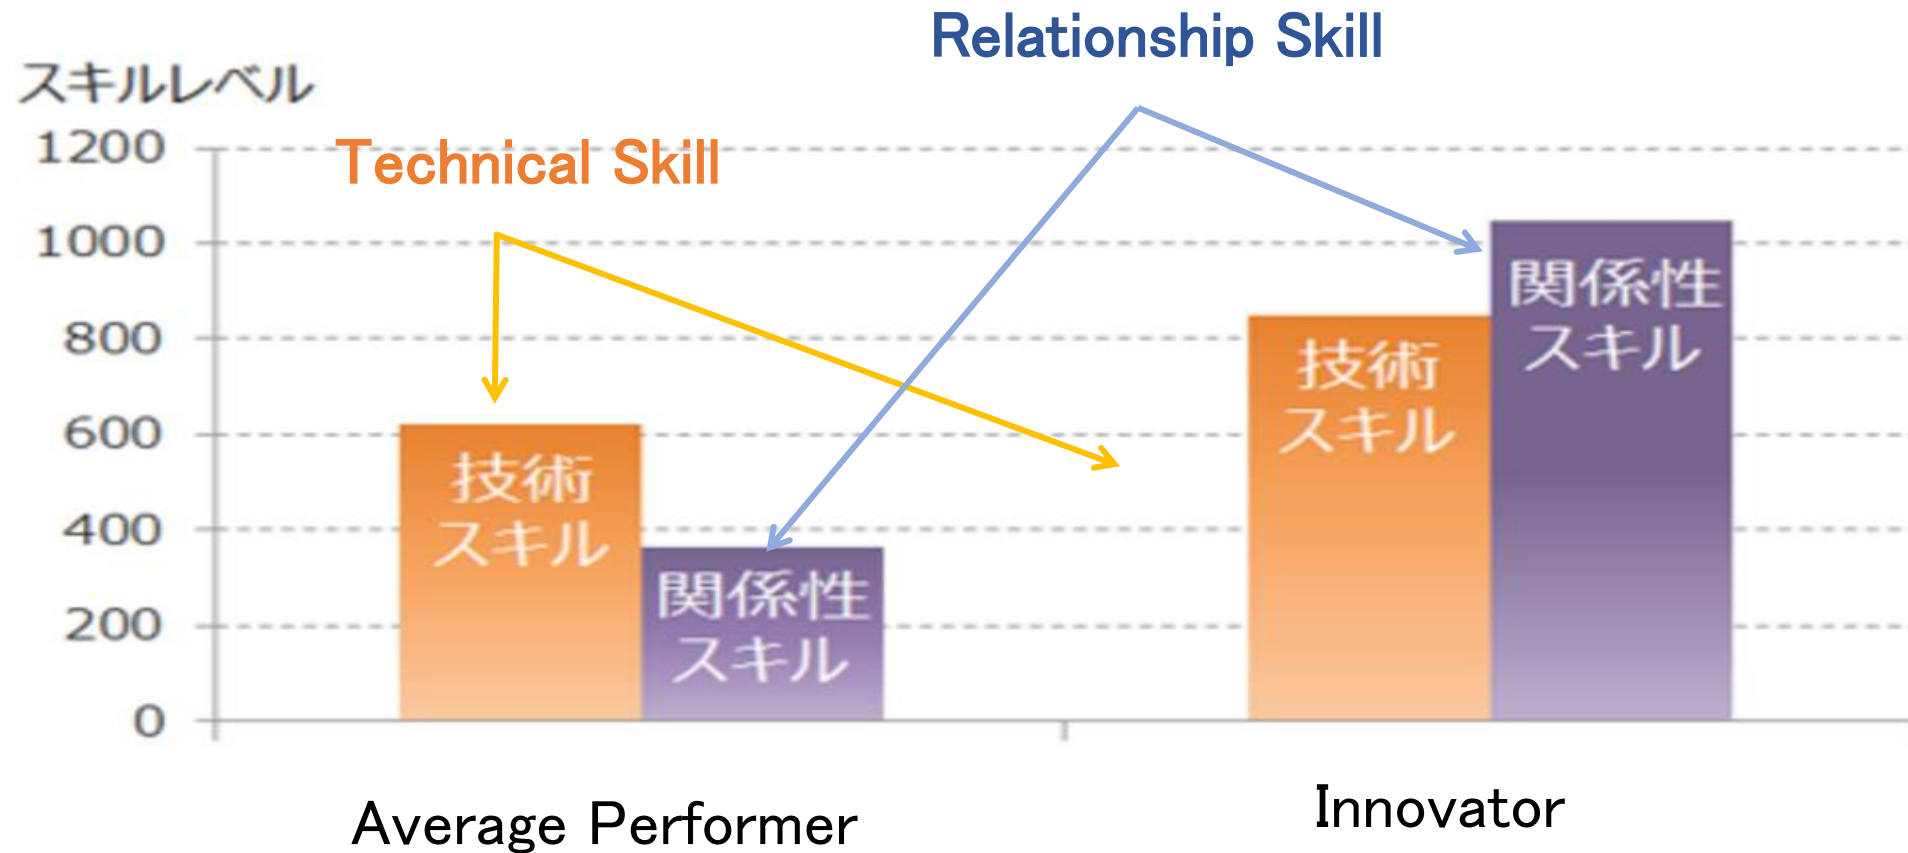

Kaizen (small change) ?

Innovation (big change) ?

Kaizen (small change) and Innovation (big change)

Skill Sets of Innovator

Behavior of Change Makers

Typology of context-in-motion	Underlying event	Action and consequences
Contextualization Re-contextualization Co-contextualization De-contextualization Trans-contextualization	Participation Interpretation Socialization Objectification Translation	Join, intervene, take part in, obtain intuition Experiment, express, verbalize Share, empathize, synchronize Generalize, abstract, model, prototype Bridge, realize new combination, diffuse
